

Dear Parents

Welcome to all our new members! Please see below instructions on how to purchase Premier uniforms. Even if you are not competing this year, we strongly suggest you order the black podium leotard now as the girls do wear this one day a week for training. This occasionally may be used at competitions also and will be used at clinics and displays.

For the full uniform, you will need to purchase:

Sylvia P – Black long sleeve leotard (Level 4-6)

Sylvia P – Pink short sleeve leotard (Level 1-3)

Sylvia P – Black short sleeve podium leotard

BLK – Premier track suit top and track suit pants

BLK – Premier polo shirt for competitions

GMD- Premier Bag – can choose either duffel or back pack style. This can be ordered through this link.

<https://www.gmdirect.com.au/collections/premier> There is also a Premier grey hoodie that can be purchased from GMD. The girls wear these to and from the gym in winter.

Our Premier Competitive Booklet is just being finalised after a revamp, this will be sent to you shortly with more information about training at Premier.

Please see information below regarding orders for BLK and new ordering information for Sylvia P. Instructions for Sylvia P are attached as well as sizing instructions for BLK. Please ensure you read these BLK instructions carefully as sizes tend to be on the smaller side.

The order link for BLK is:

Sylvia P has now also changed their ordering system and will now only be accepting bulk orders, similar to BLK. Please see the attached document with instructions. Our log in information is:
